Cindy Hartley- Teacher Representative

Appreciates the new lunch time start and making sure all teachers go through the line at the same time. This saves enough food for those that come toward the end of the lunch hour. She also thanked the board for sponsoring teachers coming to the Gala. Norwegian Cruise line has an opportunity to nominate a teacher to win a 7 day cruise.

Robb is encouraging folks to vote for a very deserving teacher at Boise High. Here is the website to vote: <https://nclgivingjoy.com/voteme/30373/632665864>

Kirsten Cadwell- Treasurer's Report

Boise High is in a good cash position with \$141,291 in both accounts due to auction proceeds and spring booster proceeds.

Auction raised \$92,630

Raise the paddle brought in \$21,035

Spring boosters brought in \$3000

Mary Williams moved to approve the financials and Jennifer Dandrea seconded

Vicky Swerdloff- Brave Auction Update

Way to go Braves! The auction was a success with good reviews from both parents and faculty that attended. The highlight was the “community feel” and how excited folks were to connect with other Boise High families in a social setting. The teachers were very helpful in providing great auction items that helped raised money and families appreciated that they came to the event. The board is looking for volunteers willing to head up the next event in two years.

Annie Langston - Senior Academic Celebration

Will be held May 1st at 6:30 in the auditorium with a reception to follow in the cafeteria for approximately 175 Senior students and parents. Annie will reach out to Wildflour Bakery and Dodds Hayden for coffee and cookie donation. She will need help setting up and decorating, stay tuned.

BEN Update - Julie Manning

BEN is planning an International Cultural Festival April 18th 6:30-8:30 in the cafeteria.

Everyone is invited, bring a dish to share.

Next event is Kindness week 4/29–5/3 the following is planned:

Monday - Friendship Grams

Tuesday - Poetry Slam

Wednesday- Friendship Day

Thursday- Karaoke

Friday- Lip Dup Spirit Day

Booster Program Update- Tina Michael (for Stacy Slattery)

The Booster program notes that we had 258 families sign up individually to participate and we hope to increase that next year. Corporate sponsorship was good this year but hoping it will take off a bit more for the football program and extend more into performing arts as awareness increases. Also, Tina, Stacy and Robb will be meeting

with the Coaches and AD Barber to discuss what this program will look like moving forward. Hoping ownership passes along to coaches/teachers in ensuing years to make it more self-sustaining!

Tina Michael - Looking ahead to 2019/20

The slate is coming together for next year. Looking to fill spots for senior party planners and athletics (which I think we just filled). Also, happy to add anyone to an assistant position if they are thinking they want to come on in the future in a more active role.

Meeting Adjourned at 4:38

Next Meeting: May 7th, 2019
